Case No. 3:19-cv-00136-HRH

**UNOPPOSED MOTION TO EXTEND CASE DEADLINES**

The University of Alaska System and the Alaska Board of Regents (collectively, the “University”), by and through its counsel of record, Perkins Coie LLP, hereby submits an unopposed request that this Court extend all expert witness deadlines by three months, and the close of fact discovery and deadline for dispositive motions by four months. close of fact discovery currently coincides with the close of expert witness discovery, which the parties now request be staggered by one month to allow for any fact discovery that may be necessitated by depositions of any experts after they submit their reports.] The University has still been hindered in its ability to analyze the character and scope of expertise necessary for its defense due to Plaintiffs' lacking discovery responses, which are the subject of a pending motion to compel. If and when experts are retained, that may give rise to the need for additional fact discovery. Notably, medical records are among the requested (and not yet provided) discovery to inform expert analyses, and those records may take substantial time to collect. Counsel for the University has conferred with counsel for the Plaintiffs and Defendant Yesner about this extension request, and they do not oppose.
